

THE RUNNING EVENTS GUARANTEE
2020/21 RACE SEASON

In this crazy new world we find ourselves in, the exact rules around mass gatherings and social distancing are pretty fluid and subject to sudden and dramatic change. We want our participants to have as much certainty as we can possibly provide regarding our 2020/21 race season. That way, you will know exactly where you stand – no matter the circumstances - when race day rolls around. Our chart below shows exactly how we intend to operate our events in the 2020/21 Auckland Half Marathon Series and 2021 North Shore Run Series at various alert levels and government restrictions. We will avoid – as far as humanly possible – any cancellations or postponements. Instead, using good old Kiwi ingenuity and a “can do” attitude, we will make the best of the hand we are dealt on race day. Hope for the best, plan for the worst. We want to extend our heartfelt thanks to all our runners and walkers for their continued support. Keep on runnin’ - The REV Team
